Committee Reports: None

Old Business: None

New Business: Much more information is needed to determine the Fire Protection District for the proposed Kerilands development. The Town Board Meeting was attended by Paul, Glenn and Tom. Neversink isn't ready to talk about Protection Districts. CFD is closest to the proposed “Blue Hill Farm”. However, private lots still exist. Tax base and public safety aspects need to be considered. Tom and Dave will draft a letter to the Neversink Town Board in regard to the Keriland development.

Mike is proposing new mats for Truck 51 and smaller truck. Mike will submit a requisition to Terry.

Mike donated a shop vac. New brooms are needed for truck house and trucks.

Respectfully submitted,

Anne-Marie Kremer/Secretary
