- Email received from Town Clerk regarding phone call from Frank Parslow at Stone Ridge Excavating and Logging who submitted a Logging Notification for work on David White's property at 64 Round Pond Road. Chairman Sibiga will contact Frank to make sure he has what he needs in regard to the property's NYC easement. Discussion follows regarding the fact that the Town does not "permit" logging, but the Town does require a completed Logging Notification with a start and end date of the project, proof of the required insurance, and the \$100.00 fee payable to the Town. It is determined that Chairman Sibiga will contact the logger directly to discuss the loggers' concerns regarding the easement.

Chairman Sibiga asks if Town Board Liaison Kevin Smith has any comments. Councilman Smith has no comments.
